MEMORANDUM

FOR : CHIEF, BFP

SUBJECT : Contingency Plan on Places Highly Vulnerable to Fire Occurrences

DATE : 03 October 2008

I. OBJECTIVE

This contingency plan is based on the existing SOP that provides a nationwide integrated supervision of all activities of BFP operating units nationwide during emergencies and fire occurrences.

II. SITUATION

The Bureau of Fire Protection Region 02 covers (5) provinces having (3) cities and (90) municipalities with **2,364,198** populace. Its operational jurisdiction and control of fifty (54) fire stations equipped with seventy five (75) fire trucks.

III. ASSUMPTION

Fire and accidents might occur in all buildings and structures caused by negligence/accidents and not conforming with the Fire Safety regulations stated under the provisions of Fire Code on fire safety. Thus, injuries and or death might occur during this period.

IV. EXECUTION

All Fire Safety Inspectors shall conduct massive fire safety inspection to see to it that all establishments will conform with the Fire Safety Regulations under the provisions of P.D. 1185. EMS and SRU shall provide medical assistance and rescue operation while the other operating units will do firefighting if such eventualities may occur. They shall also coordinate with other agencies mandated with similar tasks, hence minimize injuries or even worst, death due to negligence. Such activities will be observed in a year round basis. A daily report is to be submitted to monitor all incidents/emergencies that may arise.

SUPPORT GROUPS:

PNP	EMS
LGU 's	Dep Ed
NGO's	Local Health Unit

V. EFFECTIVITY

This Operational Contingency Plan (Oplan/Implan) of BFP RO2 shall take effect continuously and regularly all year round.

SERGIO M SORIANO JR
SUPT BFP
Acting Regional Director
